

Addendum to the Code of Behaviour of Clerihan National School August 2020

Covid-19 Control Measures

The Board of Management has, under guidance from the Department of Education, implemented a number of measures intended to control the spread of Covid-19. These measures are detailed in the school's response plan (Procedures and Protocols) and the Covid-19 risk assessment. All pupils are required to comply with any Covid-19 control measures that the school has in place. These measures may change from time to time, according to advice received from the Department of Education and the public health authorities. Any changes will be communicated to parents. Pupils will be supported in adhering to the measures by their class teachers and other school personnel. Pupils who persistently fail to comply with the measures may be subject to disciplinary action under this policy.
